

EASLEY COMBINED UTILITIES

A Community Tradition

May 22, 2015

Ms. Wendy Heiks
GenX Security
1101 B North Pleasantburg Drive
Greenville, SC 29607

Wendy,

I would like to thank GenX Security for a job well done. From planning to scheduling, GenX went above and beyond what was required to coordinate with staff schedules to ensure minimum impact on daily activities.

The project was awarded based on lowest cost, however, it was quickly realized how efficient and knowledgeable GenX was when discussing the project or associated aspects. With a project of this scope (52 doors, 2 gates, and 33 cameras located on 12 buildings at 8 different locations), one would expect issues. However, only minor issues were encountered on this project. If a problem did pop up, GenX was very proactive in suggesting viable solutions.

GenX did not stray from the proposed schedule or fee during the project, despite running across several surprises, that required altering the plan, while completing the project.

We have enjoyed working with your team on this project and look forward to working with you again in the future. I would recommend your firm for any security work in the future.

Sincerely,

Tyler Morgan
Operations Engineer
